There are thirty-one enrolled in the third grade.

Miss Miller reports twenty-four pupils in the fifth grade.

The seventh graders are well started on their study of South America.

Eugene Etchells was absent from the sixth grade one day last week on account of sickness.

There is the largest enrollment in Seventh and Eighth grades than there has been for several years. The room is full to overflowing.

Willie Salerno and Arthur Hutchinson have been absent from the Kindergarten this week.

#### HIGH SCHOOL NOTES

Work again! Fifty foreign students in High School to date. We are glad to welcome the Freshmen and hope they will enjoy being with us.

Our new principal, Mr. Menerey and our history and latin teacher, Miss Smith, are getting acquainted with the pupils and the work is progressing nicely.

There is a large class in physics this year. About twenty-four are taking advantage of the splendid course offered.

Miss Buck visited school Monday afternoon.

A football meeting was held one night last week. Many of the boys are slight, but with good spirit and hard practice, Coach Menerey hopes to have a team.

All the teachers were invited to attend the pot-luck supper given for Rev. Geach before he went to conference. Everyone enjoyed the bountiful supper and the excellent program that followed.

Several artists have been discovered in the Freshmen Class. If in doubt, just visit English IX.

A number of the Senior Class of '17 are teaching this year—Myrtle Draper, Edgar Vrooman, Hattie Putney, Marjorie Adams, Mable Ludington, Hilton Tice, Harry Williams, Gladys Shannon and Kathryn McMahon. Leta Holden and Helen Farley are to attend State Normal at Ypsilanti this year; Kenneth Lacy expects to enter the University of Michigan, and Norma Shaw is training to become a nurse. On the whole they are hustlers.

#### OBITUARY.

Mrs. Emma J. Beedham, aged 51, of St. Clair, died Wednesday, Sept. 5th, following a long illness. Mrs. Beedham's maiden name was Emma J. Carr. She was born in Lapeer, Mich., and married Joseph Beedham August 17, 1885. By this union three children were born, two of whom are living, namely: Grace and Melvin of St. Clair.

The Beedham family moved to St. Clair from Carsonville four years ago and Melvin was connected with the Republican force for more than two years. The funeral was held Saturday afternoon from the late residence, Rev. F. B. Johnson officiating.

Melvin Beedham resided in Yale for a time. His friends here sympathize with him in his bereavement.

The reputation of the management of the above Association for securing a most attractive exhibition of live stock, agricultural machinery, implements and farm products, works of art, in fact a full display of everything that goes to make up a fair of this kind, has always been the best and through their untiring efforts the fair this year will be even better than previous years.

#### Away Above the Average

The theatre going people of our city were given a chance last week to see one of the best little stock companies on the road today.

As had been previously announced, Manager Barr had booked the popular Henderson Stock Co., for opening week at the New Auditorium, and the satisfaction these people gave to the large crowds in attendance at each performance showed that he had picked out a winner.

This company appeared in Yale four years ago, and put up a good list of plays, but were greeted by slim houses, consequently they have steered clear of our city until this season.

Every night last week the Auditorium was filled to the doors, and as yet we have not heard a single kick, but we have heard hundreds of remarks regarding the high class of work produced by these people.

The Henderson Stock Co. is composed of a bunch of real stars and are deserving of the success with which they are meeting in every town they are visiting.

They had a different play for each night and the popular verdict was that each play was better than the one presented the previous performance.

It is with pleasure that we announce a return engagement of this troupe for late fall or early winter, and we bespeak for them a bigger reception than they had last week.
